Toward a Sociology of Global Islam: Revisiting Muslim Ethnicities in.

**ABSTRACT**

This dissertation investigates the experience of Muslim identity in the United States. It explores the various encounters between Muslim life and the American cultural environment, focusing on how Muslims arriving on American soil face the challenges of being a minority group in a multicultural society. The dissertation examines the cultural settlement of Islam in America, the unexamined dimensions of Muslim cultural citizenship in the United States, and the various encounters between Muslim life and the American cultural environment.

**Finding Mecca in America:**

Finding Mecca in America is both a portrait of American Islam and a groundbreaking study of American Muslim identity. The author, Mucahit Bilici, traces American Muslims' progress from outsiders to natives within the American cultural context. The dissertation explores the various encounters between Muslim life and the American cultural environment, focusing on how Muslims arriving on American soil face the challenges of being a minority group in a multicultural society. The dissertation examines the cultural settlement of Islam in America, the unexamined dimensions of Muslim cultural citizenship in the United States, and the various encounters between Muslim life and the American cultural environment.
