Juggernaut: How Emerging Markets Are Reshaping Globalization

Uri B Dadush William Shaw

“Juggernaut: How Emerging Markets Are Reshaping Globalization” is a book by Uri Dadush and William Shaw. It explores the rise of emerging markets and how they are reshaping the global economy. The authors argue that emerging markets are on the cusp of reshaping the global economic landscape, delivering immense opportunities as well as new challenges.

The book is a wake-up call for policymakers and business leaders. It highlights the importance of recognizing the rise of emerging economies and adapting to the new realities of the global economy. The authors provide a detailed analysis of the factors driving the rise of emerging markets and the potential impact on the global economy.

Juggernaut is a must-read for anyone interested in understanding the changing face of the global economy. It provides a comprehensive overview of the trends shaping the world economy and offers insights into the future of global trade and investment.
