Karl Barth Vs. Emil Brunner: The Formation And Dissolution Of A Theological Alliance, 1916-1936

John W. Hart

Karl Barth and Emil Brunner were key figures in 20th-century theology. While they shared many insights and concerns, their relationship was marked by significant differences and eventual discord. This book explores the formation and dissolution of their theological alliance, examining the factors that led to their eventual split and the enduring impact of their contributions.

The book is part of a larger collection of works on Karl Barth and Emil Brunner, offering a comprehensive look at their thought and the broader theological landscape of the time. It is an essential resource for those interested in systematic theology and the development of modern Christian thought.
