Opening Arguments: A Young Lawyer's First Case
United States v. Oliver North

Jeffrey Toobin

Opening Arguments This book originated from Jeffrey Toobin's own experience as an assistant U.S. attorney in Brooklyn, which is evident in his account of the Iran-Contra scandal. Toobin's personal involvement as a lawyer during the trial of Oliver North provided the basis for his first book, "Opening Arguments: A Young Lawyer's First Case—United States v. Oliver North." His account is a gripping recount of the events, the legal aspects, and the personal journey of a young lawyer in the heat of a major legal case.

Toobin's book is not just a legal thriller; it is also a vivid representation of the personal and professional challenges faced by a young lawyer in pursuit of justice. The book covers the events leading up to the trial, the legal strategies, and the personal battles that Toobin faced during this period of his life. The book is a testament to Toobin's dedication and passion for the law, as well as his commitment to justice.

Opening Arguments is more than just a legal narrative; it is a story of the human side of legal proceedings. Toobin's personal essays are Ward's favorite reading material, and the book has been praised for its insightful and humanized portrayal of the legal world. It is a must-read for anyone interested in the legal system, the history of the Iran-Contra affair, or simply for a gripping legal thriller.
