Sport Worlds: A Sociological Perspective

Joseph A. Maguire

SPORT AND GLOBALIZATION: Product Description. Sport Worlds: A Sociological Perspective takes a novel approach to tracing the intimate and extensive relationships between sport and society. Sport Worlds: A Sociological Perspective offers a comprehensive look at the sociology of sport, examining how sport is embedded within the world and the lives of people. This book emphasizes how sport is embedded within the world and the lives of people and highlights the ways in which sport competitions are shaped more by locale than by the standards of a globalized world. The European perspective is just now coming to grips with this. Modern perspectives about social worlds, sport and culture are evident in some of the poorest areas of the world it is important to the television. Monday: 8:00 am - 6:00 pm.
